If you answered mostly a's.....You're a dog!

Dogs are the one of the friendliest pets. Like dogs, you love meeting new people and spending time with your friends. You are active and your positive attitude is infectious, no one can be sad with your smiley face around.

If you answered mostly b's.....You're a rabbit!

Rabbits may be small, but their snuggly personalities make them big favourites – just like you! You have a healthy appetite and are always up for a new adventure. Your cheeky personality always makes your friends laugh. On-top of all that you are quite clever too!

If you answered mostly c's.....You're a cat!

Just like a cat, you may seem quiet, but that's what makes you such a great listener – you are a loyal, caring friend. You always come up with cool games to play and your friends love your neat style and ability to keep things calm amongst your friendship group.

If you answered mostly d'sYou're a fish!

Pet fish are independent and generally low maintenance – they don't need a lot of attention and neither do you. You are both easy going and active and whilst you are happy to share the spotlight, you are often the centre of attention as you are such an interesting and amazing person.

Don't worry if these descriptions don't match your personality. Remember just to have fun!
